**Achievement of the oil seed Dte. and National Oil Seeds and Vegetable Oil Development Board**

489. SHRI SURENDRA SINGH THAKUR: Will the Minister of AGRICULTURE be pleased to state:

(a) the extent to which the Oil Seeds Dte. and National Oil Seed and Vegetable Oil Development Board have succeeded in extending help to the States in the Oil Seeds Development;

(b) the extent to which these organisations have been able to help the small farmers/marginal farmers; and

(c) whether these organisations have failed to achieve these objectives; if so, the reasons therefor and what steps Government have taken in this regard?

THE MINISTER OF STATE IN THE DEPARTMENT OF AGRICULTURE AND COOPERATION IN THE MINISTRY OF AGRICULTURE (SHRI YOGENDRA MAKWANA) (a) The National Oilseeds and Vegetable Oils Development Board has taken up pilot projects namely, (i) diversification of rain-fed wheat to rapeseed mustard in 7 States and (ii) programme for popularisation of rabi/summer groundnut cultivation in non-traditional areas in 6 States. These projects provide for large sized demonstrations, organising of field days and close monitoring of progress.

The Directorate of Oilseeds Development has been helping in supervising and minitoring oilseeds development programmes in various States. It also keeps liaison with States in implementation of development programmes and provides feed-back on production and related aspects.

(b) The programmes with which these organisations are concerned provide for adequate assistance to small and marginal farmers.

(c) Does not arise.
